# Welcome to Midlothian Gardening Services (MGS)

**MGS** is a local gardening social enterprise run by Mayfield + Easthouses Youth 2000 Project (Y2K)

We specialize in offering a professional and affordable garden maintenance service to people in and around Midlothian.

We'll gladly look after your green space either on a regular basis or as a one off tidy up!

As a social enterprise we are strictly a not for profit organisation.

This means all the money generated from our project goes back into developing our services. Our key aim is to invest in young people and volunteers and support them through a training programme. Also as a community gardening service we have a strong commitment to help older people enjoy and care for their gardens.

## How we can help

Better weather on its way. Get your garden ready and take advantage of our low cost community garden maintenance service.

Let our professional team help you to transform that dreary garden patch into a garden you can be proud of.
